## ANNUAL REPORT

FY 2013

*It is the mission of the Clinton County Health Department to provide services to protect the public's health, and to enhance the quality of human life through health education, health promotion, and prevention. Through responsible use of resources, the department will provide those services identified as needed through the community health needs assessment and also provide those services mandated in its role as a unit of government.*

## To Our Citizens

### STRATEGIC HIGHLIGHTS

Expansion of laboratory services.

Secured the Illinois Tobacco Free Communities Grant, In Person Counselor Grant, and the Recycling Grant.

Reorganization of the We Choose Health Grant structure to increase benefits/services to Clinton County

Partnering with the insurance committee to reduce health care costs for Clinton County Employees

Addition of CODE RED emergency notification service

Medical Reserve Corps Expansion

### HEALTH PRIORITIES

Heart Disease

Cancer

Obesity

Alzheimer 's Disease

### OPERATIONAL CHANGES

In order to better serve the citizens of Clinton County, the Health Department expanded the hours of operation to 8:00-4:30. In addition, collaborative efforts have been instituted with health care services throughout the county to promote emergency preparedness to keep our residents as safe as possible in the event of an emergency and provide health services to promote healthy living for our residents.

Regular inservices, quality improvement, and staff meetings have been implemented to improve the systems and processes within the organization to promote coordination of services and increase the efficiency of the programming.

### LOOKING AHEAD

As the arena of public health continues to shift and change in response to health care needs of an aging population, chronic disease associated with biological and health choice risk factors, the institution of the Affordable Care Act, and the focus on prevention and wellness services, it becomes more apparent that there is a need to promote collaboration of resources to better meet the needs of our community. The Clinton County Health Department is committed to enhancing services to better meeting the health and safety needs of our county's residents.

Janice Albers RN, MSN

Administrator

## Nursing Programs

Adhering to our mission, the Clinton County Health Department strives to provide services to protect the public's health and to enhance the quality of health through health education, health promotion, and activities to focus on the prevention of disease. Programming is designed to address the health needs of the community based on a comprehensive community health assessment called the IPLAN. Based on the findings of the 2011 IPLAN the priorities for our county are heart disease, cancer, obesity, and Alzheimer's disease.

## ENVIRONMENTAL HEALTH PROGRAMS OVERVIEW 2013

### ENVIRONMENTAL HEALTH PROGRAMS

The Clinton County Health Department inspects all retail food establishments, private sewage systems and private water wells within Clinton County.

The Clinton County Retail Food Ordinance was adopted December 1, 2002. Food Permit Fees are High Classification \$55.00, Medium Classification \$35.00 and Low and Temporary Classification \$25.00. Food Permits are rated based on the most recent establishment's inspection score: Certified AA (100 - 97), Certified A (96 - 92), Certified (91 - 89) and Passed (87 - 73). All food establishments are required to post their permit in plain view. Currently there are 41 High, 138 Medium and 39 Low Classification food establishments in Clinton County.
